### A new one-piece combination dress for children

The Highland Bloomer Dress is a mother's solution of the dress problem for her little girls. It is the only dress that combines in one the five essentials of service, comfort, economy, healthfulness and becomingness. That is why it met with instant favor from millions of mothers the country over.

The illustrations tell the story of how quickly and easily they can be put on, and of how neat and pretty they are.

There is a skirt, waist and bloomers all sewed to one belt. The bloomers are concealed by the full plaited skirt. The dress opens all the way down the back, permitting it to be laid perfectly flat when ironed. We are just in receipt of a full line of them in plain-color chambrays and checked gingham.

Mothers are invited to come in and inspect them Saturday. Ages from 1 to 6. Prices from \$1.25 to \$1.75—according to quality.

# THE DAILY NEWS

FROM TOPEKA'S LARGEST STORE

## To the woman who is going to pay \$25 for a suit

The woman who is going to pay \$25.00 for her Spring Suit will find twenty distinct styles to choose from tomorrow.

### The styles--

Most of these Suits have 32- to 36-inch, three-quarter fitted jackets that are "a most refreshing change," as one woman put it. Many of them have the Tuxedo or wide reveré collars, and the novelties have the buttoned-over fronts.

### The materials--

Light weight, of course; basket weaves and hopsackings, Bedford cords, French and storm serges, diagonals, wide wales and Scotch, self striped and mixed mannish suitings.

### The colors--

There is such a range that almost any one can be suited: blonde, light and mustard tans; King's, Dutch, Delt and navy blues; light, dove, putty and smoke grays; cream and white; lavender and rose; and black, of course.

### The one pictured--

The jacket is a 33-inch, fitted model with a satin-faced, wide-roll collar and is lined with a good quality of soft, light weight messaline. The material is a plain-color, fine diagonal serge and it is to be had in tan, navy blue, lavender and black.

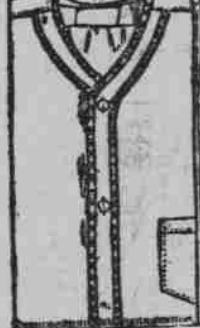

### 25c waists sets--19c

Engraved initial Waist Sets, as pictured, made of a composition metal that will not tarnish. We have not all letters now and to close out what is left, we are going to sell these 25c Sets Saturday for 19c—a rare bargain, if the initial you want is among them.

And we have Beauty Pins, in both plain and carved styles, that are absolutely guaranteed not to tarnish. Five of them in a box for 25c.

### Men's night shirts 50c

Nothing uncommon about that—you say. But men's Night Shirts WILL be uncommon at half a dollar after these are gone, for cotton has advanced materially since we bought them—and the price of muslin has risen in proportion. Today, you cannot buy the materials, the bleached muslin, the finishing braid, the buttons and the thread—for 50c. But you CAN buy the finished Night Shirts for that. We have them in all sizes in both the collars and the military collar styles. Better buy half a dozen or so Saturday, while they are to be had for 50c.

And we have one that is cut half again as large as ordinary Night Shirts \$1.25

## New suits should be fitted over new corsets

Styles have changed materially since last Fall: the waist line is back to the waist and is a trifle more nipped in and the hips are now more curves than lines. So, to have a correct foundation for a this season's suit, you must wear a this season's Corset.

### We recommend "Rust-Proofs"

To the woman who is going to pay from \$1.00 to \$3.50, we particularly recommend Warner's "Rust-Proof" Corsets; for every pair is guaranteed to wear—not to rust, break or tear and we have a line of models, from which we can fit almost any figure.

The one pictured, No. 273, is a splendid model for the average figure. You will note that the bust is moderately low, the waist line well defined and that it is very long over the hips—the extra length being unboned, and therefore perfectly comfortable, sitting, standing or walking. It is made of white batiste, trimmed with dainty lace and ribbon, and is to be had in all sizes from 18 to 25—\$2.00 a pair.

We have a dozen or so other models, ranging in price from \$1.00 to \$3.50 a pair—all of them with the "SECURITY" Rubber Button Hose Supporters attached.

## Fashion favors the large mesh veilings for Spring

And it seems as if the larger the meshes are the more they are in demand—at least, they are the ones we are selling the most. Speaking about sales indicating popularity: we are selling nine black veils to one colored one—and we have all colors, too.

We have the plain Hexagons in both large and small meshes, and fancy meshes—some of the latter with embroidered chenille dots. For the women who prefer the smaller effects we have a splendid line of dainty meshes, fancy Tuxedos and hairlines. The prices—25c to 65c a yard.

While you are at the Veiling counter Saturday, take a look at the new Neckwear displayed in the cases. Particularly the Jabots and the new "Wilhelmina"—the latest thing in the ever-popular Dutch Collars.

## A splendid line of hair goods and accessories

We have not said very much about Hair Goods for the last month or so for the very simple reason that we have been selling them faster than we could get them in. But two large express shipments came in this week, so we have plenty again—at least enough for Saturday, we hope.

Just a word about the quality of the Turban Braids and Switches: they are made of genuine Russian hair without a bit of dye in them. They are all natural shades. And speaking of shades; we believe we can match anyone's hair from this splendid line of Switches and Turban Braids that we now have.

### Turban Braids

Thick, soft, glossy Turban Braids—going entirely around the head. Made of natural color Russian hair. Prices range from \$3.98 to \$10.00 each—according to length and weight.

### Hair Nets

The finishing touch—we might well say the perfecting touch—to the Turban coiffure is the Hair Net. We have the invisible ones, made of real hair, at 15c and 25c—all shades.

### Barrettes

The story about the Barrettes is practically the same as that of the Turban Pins—most every size and shape that one could wish for, in both plain and fancy styles. 25c to \$1.00 each.

### Turban Pads

The "foundation" upon which the charming Turban coiffure is built. We have them in black, all shades of brown and blonde—25c each.

### Turban Pins

Dozen of styles to choose from—both plain and fancy—in all sizes and shapes. Practically all of them have curved points to keep them from slipping out. In the fancy ones; one of the newest has a large rolled top, and there are others with carved tops and plain tops set with Rhinestones.

In the plain ones; there is most every size and shape that one could wish for in both shell and amber—and there is a very good assortment of grays, too.

The plain ones are at the Notion counter and are priced from 5c to 25c each. The fancy ones are at the Jewelry counter and are priced 25c and 50c each.

### Switches

We now have the largest line of Switches that we have ever had—and all of them are made of natural hair. Black, all shades of brown, blonde and a few grays—98c to \$10.00 each, according to length and quality.

### 50c tooth powder, 29c

It is the genuine Dr. E. L. Graves' Tooth Powder. These 50c cans hold more than twice as much as the 25c ones; you will, therefore, readily see what a bargain it is at 29c.

We carry practically all of the standard Dentifrices—and sell most of them, every day in the year, at cut prices.

25c Colgate's Tooth Paste ..... 21c

25c Arnet's Tooth Soap ..... 21c  
25c Mrs. Yale's Tooth Powder ..... 22c

### Battenberg doilies--59c

Two dozen of them that we are very anxious to close out—hence this unusually low price. They are 24-inch, round and square Battenberg Doilies with plain linen centers. They would be particularly good values at 75c. To close out this last two dozen Saturday, we are going to sell them for 59c.

### 25c plain-color ribbons--19c

The Saturday Ribbon "Special" this week is No. 100, pure silk Taffeta Ribbons in black, white and colors. Ribbons that are especially desirable for children's hair bows. One of our regular 25c numbers specially priced for Saturday's selling, 19c a yard.

## Saturday is the last day of the box hosiery sale

The last chance you will have to buy any men's, women's or children's Hosiery in six-pair lots at special prices. Please bear in mind that our entire regular stock is included and that it is not necessary that you take six pairs of one kind—you can select any six pairs at one price.

There is one number that we wish to speak about in particular: Topsy "Regina"—a "Geneva Silk" Hose for women. It is a very sheer, fine gauge Hose with a 44-inch double top to prevent injury the garter clasps. Its brilliancy and the firmness of the weave, though very sheer in texture, make it an ideal Hose for dress wear. It is to be had in black and practically all shades and colors—50c a pair. Saturday, you can buy six pairs for \$2.69.
